9.02 Grievance Procedure

The following procedure shall be used for the resolution of differences referred to in Article 9.01, other than for the suspension or dismissal of employees and Application disputes under Article 9.03.

Step 1

Within fourteen (14) calendar days of the occurrence of the difference, or within fourteen (14) calendar days of when the employee first becomes aware of the matter giving rise to the difference, the employee with or without the steward (at the employee's choice) shall discuss the difference in a meeting with the immediate supervisor. Where the immediate supervisor is also the Step 2 designate, this stage may be eliminated.

Step 2

If the difference is not satisfactorily settled under Step 1 then, within fourteen (14) calendar days after the completion of Step 1, the employee with a steward shall meet with the representative designated by the Employer with the authority to handle grievances at Step 2 to discuss and submit the grievance in writing.

Within a further fourteen (14) calendar days of receipt of the written grievance, the representative designated by the Employer shall give a written response to the employee and the steward. Should the grievance be denied, written explanations shall be given.

If the grievance is not satisfactorily settled under Step 2, then the steward shall notify the Union within fourteen (14) calendar days of receipt of the written response to the grievance.

Where the Union submits the written grievance, Step 1 shall be eliminated and the Union shall be substituted for the employee in Step 2.

Step 3

The Union shall, within a further fourteen (14) calendar days of this notification, discuss the grievance with the representative designated by the Employer with the authority to handle grievances at Step 3 (who shall be outside the bargaining unit).

The parties recognize they have a common interest in resolving grievances. Such resolution is promoted through providing each other with background information and documentation directly related to the grievance so that informed discussion of the issue can take place at this level.

Within a further fourteen (14) calendar days of the Step 3 meeting the representative designated by the Employer shall respond in writing to the Union. Should the grievance be denied, written reasons for denial shall be given. Failing settlement at this step, the grievance may be referred to Industry Troubleshooter, and/or Arbitration.

Industry Troubleshooter

Where a difference arises between the parties relating to the dismissal, discipline, or suspension of an employee, or to the interpretation, application, operation, or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of the Collective Agreement, David McPhillips, Judi Korbin, Chris Sullivan, or a substitute agreed to by the parties, shall at the request of either party:

- A) investigate the difference,
- B) define the issue in the difference, and
- C) make written recommendations to resolve the difference, within five (5) days of the date of receipt of the request, and for those five (5) days from that date, time does not run in respect of the grievance procedure.

The above named troubleshooters will be used on a rotating basis.

In the event the parties are unable to agree on an Industry Troubleshooter within a period of thirty (30) days either party may apply to the Minister of Labour for the Province of British Columbia to appoint such person.

Failing settlement at this step, the grievance may be referred to arbitration.

9.03 General Application Dispute

If a difference of a general nature arises between the Union or its members and the Employer concerning the interpretation, application, operation or alleged violation of this Agreement or Memoranda, the aggrieved party may submit a written grievance to the other party within twenty-one (21) calendar days of becoming aware of the matter giving rise to the difference, and Step 3 of Article 9.02 shall apply. A copy of the grievance shall in every case be forwarded to the Union and the Employer.

9.04 Amending Time Limits

If the time limits in Articles 9.02, 9.03 and 9.05 are not complied with by the employee(s) or the Union, then the grievance shall be considered as being abandoned, unless the parties have mutually agreed, in writing, to extend the time limits.

9.05 Resolution of Employee Dismissal or Suspension Disputes

The following procedure shall be used for the resolution of disputes relating to the dismissal or suspension of an employee(s):

Step 1

Within ten (10) calendar days of notice of the dismissal or suspension, the Employer shall notify the head office of the Union of such termination.

Step 2

Within a further fourteen (14) calendar days of receipt of notice in Step 1 of this Article, the Union may institute the grievance procedure at Step 3 of Article 9.02.

If this time limit is not complied with, then the grievance shall be considered as being abandoned, unless the parties have mutually agreed, in writing, to extend the time limits.

9.06 Deviation from Grievance Procedure

The Employer agrees that, after a grievance has been discussed at Step 2 of the grievance procedure the Employer or his representatives shall not initiate any discussion or negotiations with respect to the grievance, either directly or indirectly with the aggrieved employee without the consent of the steward or the Union.

ARTICLE 10 – ARBITRATION

10.01 Arbitration

Authority of the Single Arbitrator

- A) Either party may refer any grievance, dispute or difference unresolved through the procedures in Article 9 to a single arbitrator as provided at Article 8.11, which shall have the power to determine whether any matter is arbitrable within the terms of the Agreement and to settle the

question to be arbitrated.

The decision of the single Arbitrator shall be final and binding upon the Parties.

10.02

The Union and the Employer will select a mutually agreeable arbitrator in a timely manner.

10.03

- 2) **General Availability**

The commitment to availability specified in the letter of appointment shall be subject to mutually acceptable revision. Such revision will occur once per year, or, if mutually agreed between the Employer and the employee, on a more frequent basis. Where the Employer requires a casual employee to work a minimum of one hundred and thirty-five (135) hours in a six month period, the following shall apply:

This letter will be sent to the employee by registered mail at their last known address and will be copied to the Union, and will be deemed to be the notice to the Union described in Article 15.03 – Employer Terminations.
- ii) Where a casual employee has not provided monthly availability for a period longer than three (3) months, the casual employee will be deleted from the casual call-in list and their employment deemed terminated, and will be provided a letter including this clause. Where the employee believes they have an acceptable reason for not submitting availability, the Employer and the Union shall meet to discuss the reason and the continued employment of the employee. This clause is subject to the grievance procedure under Article 9 and Article 15.03 – “Termination of Employment.”

4) **Short-Term Availability**

Notwithstanding the above, casual employees shall provide monthly availability schedules in writing to the Employer no less than fourteen (14) days prior to the start of the month indicating shifts and days when they are not available.  - (a) is registered for work in the department where the work exists; and
 - (b) has the qualifications and capabilities to perform the work being relieved; and
 - (c) has been orientated to the department.

Where the casual employee does not meet the above criteria, the Employer will pass on to the next casual employee.

The Employer shall initially offer each vacancy as a block of work (if it exists as such) to casuals in order of seniority. A block of work is defined as the shifts between regular days off. Should a casual not be found that would accept the work offered as a block, the block of work may then be divided into individual day(s) and then reoffered to casuals in order of seniority.

- ii) **Telephone or Electronic Call-in**
 - (a) The Employer shall be obligated to contact a casual employee only for those days and shifts for which the employee has indicated they are available pursuant to (C) (3) above.
 - (b) Unless an electronic method of contact is used, the Employer shall permit the telephone to ring a minimum of six (6) times. If no answer after six (6) rings, the caller shall make note in the logbook and move to the next available employee on the casual register. If an answering machine is reached or person is available to take a message, the caller shall leave a message saying *“Williams Lake Seniors Village calling, please call regarding an available shift”* and note *“message left”* in the log book. The caller will then proceed down the list.
 - (c) If an employee returns a call from message left and the shift remains unfilled, they will be offered it. If the shift vacancy has been filled, advise the employee that the shift is no longer available.
 - (d) All such contacts shall be recorded in a log indicating the person making the call, the employee called, the position they are being called to fill, the time the call was made, whether the employee accepts or declines the invitation to work or fails to answer the telephone. In the event of a dispute the Union shall have reasonable access to the log and shall be entitled to have copies.
 - (e) Notwithstanding E) 1) i) above, where the Employer has received four (4) hours or less notice of a vacancy creating relief work as per Article 11.04 A), the first shift of the vacancy may be filled as the Employer deems most efficient.

- 2) An arbitrator shall have the authority to award monetary damages in response to a violation of Article 11.04(E) (1) by the Employer.
- 3) Straight time casual work that has been offered and accepted cannot be cancelled by either the casual employee or the Employer without a bona fide reason (e.g. circumstances

At the conclusion of the temporary appointment, the employee will have the option of continuing on the benefit plans, at their own expense, or ending their coverage.

H) Seniority

Seniority for casual employees is defined as the total number of hours worked by the employee at the worksite up to a maximum of the annual full-time equivalent (1910 hours for RNs and LPNs and 1825 hours for all other classifications) hours per year.

Casual employees shall be entitled to accumulate seniority in accordance with Article 13.01 (B).

Casual employees, while receiving Workers' Compensation Benefits (wage loss replacement and rehabilitation benefits) will, upon return to work, be credited with seniority. APPENDIX A

EARLY SAFE RETURN TO WORK

Preamble

The parties recognize that the prevention of injuries and the rehabilitation of injured employees are equally important goals and that return to work programs are part of an injury prevention and rehabilitation program.

Mutual Commitment and Voluntary Participation

The Employer and the Union are committed to a voluntary return to work program that addresses the needs of those able to return to work. An employee's participation must include the consent of the employee's physician.

Confidentiality

The parties will ensure that full confidentiality concerning an employee's participation in a return to work program is guaranteed. The Employer shall not have contact with the employee's physician without the employee's consent.

Individual Employee Participation In A Return to Work Program

Prior to commencement of a return to work initiative for individual employees, the Employer, the employee (and the local union representative if the employee so desires) shall discuss the planned program and its duration. These specifics will be confirmed in writing to all involved.

An employee involved in a return to work program will be employed in a capacity which is in keeping with the employee's health and ability to perform work.

Availability

The return to work program will be available to WCB claimants, LTD Claimants, convalescent employees and injured employees. It will include such initiatives as modified work, rehabilitation and ergonomic adjustments. Each return to work program will be tailored to the needs of individual employees by the Employer. When an employee returns to the workforce, the appropriate workplace orientation will be provided by the Employer.

General Provisions

An employee's wages and benefits when participating in a return to work program will be consistent with the terms of the Collective Agreement.

The return to work program will be considered part of the recovery process and will not be referred to by the Employer in any other proceedings.

Where the funding for the return to work is provided by an outside agency, the employee on the return to work program will be supernumerary.

APPENDIX B

LONG-TERM DISABILITY PLAN

Section 1 – Eligibility

- A) Regular full-time and regular part-time employees who are on staff at the date of signing of the Collective Agreement and who are not presently disabled from working or who joined the staff following that date shall, upon completion of the three (3) month probationary period, become members of the Long Term Disability Plan as a condition of employment.
- B) Seniority accumulation and benefit entitlement for employees on long term disability shall be consistent with the following provisions:
 - i) Any employee granted unpaid leave of absence totaling up to twenty (20) working days in any year shall continue to accumulate seniority and all benefits, and return to their former job and increment step.
 - ii) If an unpaid leave of absence or an accumulation of unpaid leaves of absence exceeds twenty (20) working days in any year, the employee shall not accumulate benefits from the twenty-first (21st) day of the unpaid leave to the last day of the unpaid leave, but shall accumulate benefits and receive credit for previously earned benefits and seniority upon expiration of the unpaid leave.
 - iii) Employees on long term disability shall be considered employees for the purpose of Pension Plan when that Pension Plan has been established.
 - iv) Employees on long term disability shall have their Group Life Insurance Premiums waived, and coverage under the Group Term Life Insurance Plan shall be continued for an amount not to exceed the amount of life insurance for the employee on the last day they were actively at work.

Upon return to work following recovery, an employee who was on claim for less than twenty-four (24) months shall continue in their former job; an employee who was on claim for more than twenty-four (24) months shall return to an equivalent position, exercising their seniority rights if necessary pursuant to Article 13.

Employees on long-term disability who have exhausted all sick leave credits and in addition have been granted twenty (20) work days unpaid leave, shall be covered by the Medical, Extended Health care, and Dental Plans provided they pay for such coverage in advance on a monthly basis.

Section 2 – Waiting Period and Benefits

In the event an employee, while enrolled in this Plan, becomes totally disabled as a result of an accident or an illness then, after the employee has been totally disabled for one hundred and twenty (120) days, the employee shall receive a benefit equal to sixty – sixty-six point seven (66.7%) of the first \$2250.00 of your basic monthly earnings, up to a maximum of two thousand five hundred dollars (\$2,500.00) per month, in accordance with the Plan which shall be filed with the Union.

For the purposes of the above, earnings shall mean basic monthly earnings as at the date of disability. Basic monthly earnings for regular part-time employees shall be calculated on the basis

of the employee's average monthly hours of work for the twelve (12) month period or such shorter period that the employee has been employed, prior to the date of disability, multiplied by their hourly pay rate as at the date of disability.

The long term disability benefit payment shall be made so long as an employee remains totally disabled and shall cease on the date of the employee reaches age sixty-five (65), recovers, or dies, whichever occurs first, or as of the date of failure to provide requested written proof, satisfactory to the Company, of their continuous total disability.

Section 3 – Total Disability Defined

- A) Total disability, as used in this Plan, means during the first (1st) twenty-four (24) months of a benefit payment period, the employee's complete inability, as a result of bodily sickness or injury, to engage in their normal occupation and after the first (1st) twenty-four (24) months of a benefit payment period, the employee's complete inability, as a result of bodily sickness or injury, to engage in any occupation or employment for wages, compensation or profit, for which they are reasonably qualified by education, training, or experience, or may reasonably become so qualified, subject always to the terms of the provision LIMITATIONS AND EXCLUSIONS.
- B) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses.
- C) During a period of total disability, an employee must be under the regular and personal care of a legally qualified doctor or medicine.
- D) After twenty-four (24) months of disability, an employee who is able by reason of education, training, or experience, to perform the duties of any gainful occupation, shall no longer be considered totally disabled and, therefore, shall not continue to be eligible for benefits under this Long Term Disability Plan.
- E) of the employee's earnings at date of disability, the benefit from this Plan shall be further reduced by the excess amount.

“Rehabilitative employment” shall mean any occupation or employment for wage or profit, or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee's doctor and the underwriter of the Plan.

Section 4 – Exclusions and Limitations

Exclusions

No benefit shall be payable, in accordance with the terms of this policy, for any disability which is caused by or results from:

- A) Intentionally self-inflicted bodily injury or sickness, while sane or insane;
- B) Rebellion or insurrection, war, whether war has been declared or not, or by full- or part-time service in any Armed Forces; and
- C) Flying or air travel, except when flying or travelling as a passenger in an aircraft for which a certificate of airworthiness has been issued by the appropriate government authority and which is operated by a properly licensed pilot.

Limitations

- A) An employee, physically able to engage in an occupation or employment, shall not be deemed to be totally disabled if they are prevented from engaging in that occupation or employment by any disqualification of law, licensing, or employment practice, even though such disqualification may arise from or be related to bodily injury or sickness for which they have received benefits provided by this policy.
- B) In no event shall absence outside the territorial limits of Canada or the United States in North America be considered as part of disability period unless approved by the Company in writing prior to the beginning of such absence.

Section 5 – Integration with Other Disability Income

The amount of benefit payable to an employee shall be the amount for which they are insured on the date of commencement of their total disability, subject to any provision for the reduction or termination of insurance contained in this policy on such date.

However, if during a disability period, the employee is entitled to receive income from any of the following sources:

- i) Workers' Compensation Act, or similar law;
- ii) Department of Veterans' Affairs
- iii) Retirement or Pension Plan with any employer;
- iv) Any disability provision or any group insurance policy; and
- v) Any law providing disability or retirement benefits enacted by any government, including the Employee Benefit of the Canada Pension Plan and the Quebec Pension Plan.

The amount of benefit shall be reduced by the amount of such income, excluding any portion the employee was receiving prior to commencement of disability, regardless of whether the employee has actually applied for and received such income.

However, no reduction in the amount of monthly benefit payable to the employee during the same period of disability will be made on account of increases in the amount of her/his income from the above sources if the increases are the direct result of application of a cost-of-living indexing formula to the amount of such income. No reduction will be made in this benefit by reason of the

Canada Pension Plan or Quebec Pension Plan Dependent Benefit. Private or individual disability plan benefits of the disabled employee shall not reduce the benefit from this Plan.

Section 6 – Successive Disabilities

Successive disability period means a disability period which begins within one hundred and eighty (180) days after the termination of a prior disability period.

Until the employee has resumed their previous occupation on a full-time basis sufficiently recovered to prevent relapse, any period of total disability arising from the same cause or causes as a previous period of total disability will be considered a continuation of the previous period of total disability. In no event, however, will periods of total disability separated by one hundred and eighty (180) days or more of regular employment be considered as one (1) period of total disability.

For each initial disability period, payment of benefits will commence following expiration of the qualification period of one hundred and eighty (180) days. For each successive disability period, payment of benefits will commence following expiration of:

- i) The qualification period less the total number of days absent due to the same cause or causes during the last preceding disability period and all intervening successive disability periods, or
- ii) Thirty (30) days, whichever is greater.

Employees who will be eligible for benefits under the Long Term Disability Plan shall not have their employment terminated. Following expiration of their sick leave credits, they shall be placed on unpaid leave of absence until receipt of long term disability benefits.

Upon return to work following recovery, an employee who was on long term disability shall, where possible, return to their former job, exercising their seniority rights if necessary, pursuant to Article 12.02 D), of the Collective Agreement.

Section 8 – Benefits Upon Plan Termination

In the event this Long Term Disability Plan is terminated, the benefit payments shall continue to be paid, in accordance with the provision of this Plan, to disabled employees who became disabled while covered by this Plan prior to its termination.

Section 9 – Premiums

The cost of this Plan shall be borne by the Employee. Payment of premiums shall cease on termination of employment, or six (6) months prior to an employee's sixty-fifth (65th) birthday, whichever occurs first.

Section 10 – Waiver of Premium

In the event an employee is receiving long term salary continuance benefits provided by this policy, the premium for their insurance shall be waived for the period during which benefits are paid.

Section 11 – Claims

Written notice of a claim for long term salary continuance benefits must be sent to the Company by the participating Employer on the form provided by the Company for that purpose and received by the Company not later than sixty (60) days after the total disability begins. Initial proof of total disability, obtained at the employee's expense, must be sent to the Company on the form provided by the Company for that purpose and received by the Company not later than ninety (90) days after

the expiration of the elimination period. Further proofs of total disability, when required by the Company, must be provided at the employee's expense.

Failure by the participating Employer to provide written notice of claim within the time limit specified above shall neither invalidate nor reduce any claim if it is shown that the employee has advised their employer of intention to claim within the time limit specified above.

Failure by the employee to provide written proof of claim as required above shall not invalidate a claim if notice is given to the Company within the time limit specified above, showing that it was not reasonably possible to obtain such proof.

Section 12 – Administration

The Employer shall administer the Plan. Upon request, the Union shall be provided access to any reports provided by the claims-paying agent regarding experience information. All questions arising as to the interpretation of the Plan shall be subject to the grievance and arbitration procedures of the Collective Agreement.

APPENDIX C
