### **ARTICLE 9 - GRIEVANCES**

#### **9.01 Discussion of Differences**

If a difference arises between the Employer and an employee(s) or between the Employer and the Union concerning the interpretation, application, operation or any alleged violation of the Agreement, the employee(s) shall continue to work in accordance with the Agreement until the difference is settled.

#### **9.02 Grievance Procedure**

The following procedure shall be used for the resolution of differences referred to in Article 9.01, other than for the suspension or dismissal of employees and Application disputes under Article 9.03 or 9.07.

##### **Step 1**

Within fourteen (14) calendar days of the occurrence of the difference, or within fourteen (14) calendar days of when the employee first becomes aware of the matter giving rise to the difference, the employee with or without the steward (at the employee's choice) shall discuss the difference in a meeting with the immediate supervisor. Where the immediate supervisor is also the Step 2 designate, this stage may be eliminated.

##### **Step 2**

If the difference is not satisfactorily settled under Step 1 then, within fourteen (14) calendar days after the completion of Step 1, the employee with a steward shall meet with the representative designated by the Employer with the authority to handle grievances at Step 2 to discuss and submit the grievance in writing.

Within a further seven (7) calendar days of receipt of the written grievance, the representative designated by the Employer shall give a written response to the employee and the steward. Should the grievance be denied, written explanations shall be given.

If the grievance is not satisfactorily settled under Step 2, then the steward shall notify the Union within fourteen (14) calendar days of receipt of the written response to the grievance.

Where the Union submits the written grievance, Step 1 shall be eliminated and the Union shall be substituted for the employee in Step 2.

### **Step 3**

The Union shall, within a further fourteen (14) calendar days of this notification, discuss the grievance with the representative designated by the Employer with the authority to handle grievances at Step 3 (who shall be outside the bargaining unit).

The parties recognize they have a common interest in resolving grievances. Such resolution is promoted through providing each other with background information and documentation directly related to the grievance so that informed discussion of the issue can take place at this level.

Within a further seven (7) calendar days of the Step 3 meeting the representative designated by the Employer shall respond in writing to the Union. Should the grievance be denied, written reasons for denial shall be given. Failing settlement at this step, the grievance may be referred to Industry Troubleshooter, expedited arbitration or full arbitration within sixty (60) days after the Employer designate's decision has been received.

### **Industry Troubleshooter**

Where a difference arises between the parties relating to the dismissal, discipline, or suspension of an employee, or to the interpretation, application, operation, or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of the Agreement, David McPhillips, Judi Korbin, Chris Sullivan, or a substitute agreed to by the parties, shall at the request of either party:

- (1) Investigate the difference;
- (2) Define the issue in the difference, and
- (3) Make written recommendations to resolve the difference, within five (5) days of the date of receipt of the request, and for those five (5) days from that date, time does not run in respect of the grievance procedure.

The above named troubleshooters will be used on a rotating basis.

In the event the parties are unable to agree on an Industry Troubleshooter within a period of thirty (30) days either party may apply to the Registrar of Labour for the Province of BC to appoint such person. Failing settlement at this step, the grievance may be referred to arbitration.

### **9.03 Employer Policy Dispute**

If a difference of a general nature arises between the Union or its members and the Employer concerning the interpretation, application, operation or alleged violation of this Agreement or Memoranda, the aggrieved party may submit a written grievance to the other party within twenty-one (21) calendar days of becoming aware of the matter giving rise to the difference, and Step 3 of Article 9.02 shall apply. A copy of the grievance shall in every case be forwarded to the Union.

### **9.04 Application of Arbitration Decisions**

The arbitration award arising from a grievance filed under Article 9.02 or 9.03 is binding on the single Employer, the employees of the Employer, and the Union.

### **9.05 Amending Time Limits**

If the time limits in Articles 9.02, 9.03 and 9.07 are not complied with by the employee(s) or the Union, then the grievance shall be considered as being abandoned, unless the parties have mutually agreed, in writing, to extend the time limits.

### **9.06 Resolution of Employee Dismissal or Suspension Disputes**

The following procedure shall be used for the resolution of disputes relating to the dismissal or suspension of an employee(s):

### **Step 1**

Within ten (10) calendar days of notice of the dismissal or suspension, the Employer shall notify the head office of the Union of such termination.

### **Step 2**

Within a further fourteen (14) calendar days of receipt of notice in Step 1 of this Article, the Union may institute the grievance procedure at Step 3 of Article 9.02.

If this time limit is not complied with, then the grievance shall be considered as being abandoned, unless the parties have mutually agreed, in writing, to extend the time limits.

### **9.07 Deviation from Grievance Procedure**

The Employer agrees that, after a grievance has been discussed at Step 2 of the grievance procedure the Employer or their representatives shall not initiate any discussion or negotiations with respect to the grievance, either directly or indirectly with the aggrieved employee without the consent of the steward or the Union.

## **ARTICLE 10 - ARBITRATION**

### **10.01 Authority of the Arbitrator or Arbitration Board**

Either party may refer any grievance, dispute or difference unresolved through the procedures in Article 9 - Grievances to a single arbitrator as determined by (D) below. Such arbitrator shall have the power to determine whether any matter is arbitrable within the terms of the Agreement and to settle the question to be arbitrated.

### **10.02 Notification**

By mutual agreement between the parties, a grievance falling into one of these categories may be placed into the expedited arbitration process.

- B) As the process is intended to be informal, the parties will use their staff to present their case.
- C) All presentations are to be short and concise and are to include a comprehensive opening statement. The parties agree to make limited use of authorities during their presentations.
- D) Prior to rendering a decision, the arbitrator may assist the parties in mediating a resolution to the grievance. Where mediation fails, or is not appropriate, a decision shall be rendered as contemplated in (E).
- E) The decision of the arbitrator is to be completed within three (3) working days of the hearing. No written reasons for the decision shall be provided beyond that which the arbitrator deems appropriate to convey the decision.
- F) All decisions of the arbitrators are to be limited in application to that particular dispute and are without prejudice. These decisions shall have no precedential value and shall not be referred to by either party in any subsequent proceeding.
- G) All settlements of proposed expedited arbitration cases made prior to the hearing shall be without prejudice.
- H) The Union will forward a brief summary of its case identifying particulars and any reliance authorities to the Employer at least ten (10) days in advance of the scheduled date of the expedited arbitration. The Employer will respond in kind within five (5) days of receipt of the Union's summary.
- I) The parties shall equally share the costs of the fees and expenses of the arbitrator.
- J) The expedited arbitrator shall have the same powers and authority as an arbitration board established under the provisions of Article 10.
- K) The following expedited arbitrators are appointed under the collective agreement: Judi Korbin, John Hall, Joan Gordon, Chris Sullivan, Peter Cameron, and Tom Hodges. This letter shall also include a mutually acceptable statement of the casual employee's days and shifts of availability for work of a casual nature, notation of any specialist qualifications held by the employee, and the mutually agreed wards, units and programs in which the casual employee will work.

The Employer may require a casual employee to work a minimum of 400 hours over a twelve month period. These minimums shall be outlined in the letter of appointment, and (C)(5)(a) shall apply.

(2) **General Availability**

The commitment to availability specified in the letter of appointment shall be subject to mutually acceptable revision. Such revision will occur once per year or, if mutually agreed between the Employer and the employee, on a more frequent basis. The Employer will issue a revised letter of appointment to reflect approved changes to employee's general availability.

Casual employees who are not offered 400 hours over a twelve (12) month period within their agreed upon availability, are not required to meet the minimum standard.

Casual employees' preferences for specific shifts or areas of work will not be accommodated at the expense of regular employees' schedules or areas of work. Casual employees will be expected to work in any area they are assigned to or moved to during a shift unless they do not have the requisite skills or orientation required to practice in that area.

(3) **Short-Term and Long-Term Availability**

- (a) Except as noted in (C)(3)(b), all casual employees shall provide for each month availability schedules in writing (or by an alternative method contemplated in (E)(1)(7)) to the Employer.   - (i) If the employee has worked less than 200 hours in the six (6) month period following the employee's start date, and any six (6) month period thereafter calculated from that start date, the Employer shall issue a letter to the employee which shall state the number of hours the employee has worked, and further advise that if the employee does not work the required minimum of 400 hours over the applicable twelve (12) month period or provide a bona fide reason for not doing so, then they will be removed from the casual register and their employment will end. This letter will be sent to the employee by registered mail at their last known address and will be copied to the Union.
  - (ii) If the employee has worked less than 400 hours over a twelve (12) month period following the employee's start date, and any twelve (12) month period thereafter calculated from that start date, the Employer shall issue a letter to that employee which shall state the number of hours the employee has worked in the preceding twelve (12) months and that, unless the employee provides a bona fide reason for not working the required minimum within thirty (30) days of receipt of the letter they will be removed from the casual register and their employment will end. This letter will be sent to the employee by registered mail at their last known address and will be copied to the Union, and will be deemed to be the notice to the Union described in Article 15.04.

- (b) Where the Employer declines to require a casual employee to work a minimum of 400 hours over a twelve (12) month period, the following shall apply:
  - (i) Where a casual employee has not accepted any work for a period longer than three (3) months the Employer and the Union shall meet to discuss the bona fides of the refusal and the continued employment of the employee.
  - (ii) Where there is no bona fide reason for the refusal of work and a further three (3) months has elapsed without any shifts worked by the employee the casual employee will be deleted from the casual register.
  - (iii) If the casual employee's monthly availability over a three (3) month period (excluding June, July, and August) is inconsistent with their availability specified in the employee's letter of appointment, the Employer and the Union shall meet to discuss the bona fides of the inconsistencies.

**(6) New Qualifications**

Casual employees will provide the Employer with documentation identifying any new specialist qualifications they have obtained. Such information shall be noted on the employee's personnel file and will be added to their letter of appointment at the next revision.

**(7) Orientation**

The Employer will provide casual employees with orientation to all the wards, units and programs mutually agreed in the employee's letter of appointment.

**(D) Casual Register**

- (1) A casual employee shall be registered for work specified in the letter of appointment.
- (2) The Employer shall maintain a master casual register which shall include a list of all casual employees employed by the Employer at that worksite in descending order of their seniority, the seniority hours, and the mutually agreed wards, units and programs in which the casual employee will work.
- (3) Seniority on the master casual register shall be updated every three (3) months as of the last date of the payroll period immediately prior to January 1, April 1, July 1 and October 1 each year. The updated list shall be made available at the worksite.
- (4) For the purposes of selection to a vacancy, the Employer shall use seniority hours from the last date of the payroll period immediately prior to the posting closing date.

**(E) Procedure for Casual Call-In**

(I) The manner in which casual employees shall be called to work shall be as follows:

- (1) The Employer shall offer casual work as defined in Article 11.04(A) to casual employees in order of seniority providing the casual employee:
  - (a) is registered for work in the ward, unit or program where the work exists; and
  - (b) has the qualifications and capabilities to perform the work being relieved; and
  - (c) has been orientated to the ward, unit or program.

Where the casual employee does not meet the above criteria, the Employer will pass onto the next casual employee.

- (2) Notwithstanding (1) above, where the Employer has received forty-eight (48) hours' or less notice of a vacancy creating relief work as per Article 11.04(A), the first shift of the vacancy and any remaining shifts in that block may be filled as the Employer deems most efficient.

Where the shift pattern has not allowed for probationary casual employees to be properly assessed, the Employer may arrange for a maximum of three (3) shifts out of seniority order with a supervisor or clinician, to conduct the assessment.

- (3) Where a casual employee is called for a casual assignment which would attract overtime, they must so advise the Employer when asked. The Employer shall then have the option of calling another employee.

(4) Where Employers are seeking casual employees for blocks of work which are known more than a month in advance, the Employer may post these blocks at the worksite and invite casuals to indicate their preferences for the work available. Work assignments shall be made in accordance with seniority as per (E)(I) above.

(5) **Telephone Call-In**

(a) The Employer shall call by telephone only those casual employees on the register at a number provided by the employee. The Employer shall commence by calling the most senior employee in the register who meets the criteria specified in (E)(I).

The Employer shall permit the telephone to ring a minimum of eight (8) times.

(b) All such calls shall be recorded in a log book showing the signature of the person making the call, the employee called, the position they are being called to fill, the time the call was made, and whether the employee accepts or declines the invitation to work or fails to answer the telephone. In the event of a dispute the Union shall have reasonable access to the log book and shall be entitled to make copies.

(c) In the event that relief is requested with less than twenty-four (24) hours' notice, the date and time of the notification shall be recorded in the log book.

(6) **Alternative Process for Casual Call-In**

The Employer may introduce a process for the assignment of casual work which is an alternative to telephone call-in (set out in (E)(6)) using available technology. If the Employer elects to use such an alternative process it will advise the Union.

This alternative process may put the onus on the employee to respond to posted schedules or circulated offers of work within a set time period which will be specific to the alternative process used. By mutual agreement which shall not be unreasonably withheld, the Employer and the Union will determine how the procedures set out in (E)(6) need to be modified for the alternative process. The principles in Sections 11.04 (E)(1) to (5) shall be applied, and reasonable provisions will be made for employees who do not have reliable access to the internet or other technology.

(7) A block of work is defined as the shifts between regular days off, or, if mutually agreed at a local level (i.e.: ward/unit/program or worksite), any combination of shifts.

(II) An arbitrator shall have the authority to award monetary damages in response to a violation of Article 11.04(E)(I) by the Employer.

(b) A casual employee who terminates and is employed within thirty (30) calendar days as a casual employee, shall retain the previous increment step attained. Subsequent increments shall be granted pursuant to Article 11.04(F)(2).

(c) A new casual employee hired and not eligible to retain their increment step pursuant to Article 11.04(F)(2)(b) shall receive credit for previous hours of experience on the wage increment scale as follows: One (1) increment step for each 1950 hours shall be granted for relevant nursing experience as determined by the Employer, provided not more than two (2) years have elapsed since such experience was obtained. Where more than two (2) years have elapsed since such experience was obtained, salary recognition shall be granted as follows:

One annual increment for every 1950 hours of previous experience minus one increment for each year in excess of two (2) years to a maximum of a five (5) year lapse. If more than five (5) years have lapsed, there shall be no credit for previous experience.

- (3) A regular employee who terminates their employment and is re-employed by the same Employer as a casual employee within thirty (30) calendar days shall retain the same increment step attained as a regular employee and be credited with the appropriate hours worked at that step.
- (4) When a casual employee applies for and receives a regular position with the same Employer with whom they have been employed, they shall either retain the same increment step attained as a casual or be placed at the increment step which recognizes their previous experience in accordance with the provisions of Article 52 (Previous Experience) whichever is higher, and shall advance to the next increment on their anniversary date of employment.

Notwithstanding the above, casual employees will also receive credit for all casual hours since the last increment on a prorated basis.

The provisions of Article 56 Payment of Wages, Article 61 Wage Schedule Classifications, Article 62 Wage Schedules, and Article 6.06 Superior Benefits, apply to casual employees.

**(4) Health and Welfare Coverage**

**(a) Benefit Entitlement**

All casual employees who have completed 180 hours with the Employer may elect to enroll in the following benefit plans – medical services plan, dental plan, and extended health plan if the employee pays the full monthly premiums in advance to the Employer.

An employee making such an election under this provision must enroll in each and every one of the benefit plans and shall not be entitled to except any of them.

Where a casual employee subsequently elects to withdraw from the benefit plans, they must withdraw from all three plans. Casual employees failing to maintain the required payments shall have the benefit plans terminated. Those employees who voluntarily terminate, or are terminated from the plans by the Employer, will not be entitled to re-enroll.

**(b) Benefit Premium Refund**

Subject to the following conditions, casuals shall, on enrolment in the aforementioned benefit plans, be entitled to an annual lump sum refund paid by the Employer at the appropriate rate for the coverage obtained. Such payment is a reimbursement for each monthly benefit premium paid by the employee to a maximum of twelve (12) months.

Where a casual employee fills a position, posted or appointed, pursuant to Article 17.02 and occupies the position in excess of four (4) months, they will be entitled to the following benefits:

- (a) ability to take vacation time off, provided that the casual employee notifies the Employer immediately upon acceptance of the appointment, indicating that the 8% vacation benefit is not to be paid out on every payday but accrued instead;
- (b) upon commencement in the appointment, the employee shall accrue sick leave in accordance with Article 42.01 and be entitled to take such accrued sick leave in accordance with Article 42.02; and

After the casual employee has filled the position for a period of four (4) months, the casual employee shall be enrolled in the benefit plans outlined in Article 11.04(G)(4)(a) above at the sole cost of the Employer.

Access to these benefits shall cease when either:

1. Determine the number of hours worked in the 12 month period.
2. Divide by 52 weeks.
3. Multiply by the number of weeks on approved Workers’ Compensation Benefits (wage loss replacement and rehabilitation benefits).

(I) **Overtime Pay**

(1) A casual employee shall be entitled to overtime pay in accordance with Article 27.05 in the following circumstances:

- (a) The hours of work in one day exceed either:
  - (i) the normal daily full shift hours as defined in Article 26.01 Hours of Work; or

Where such leave of absence is for a period in excess of six (6) calendar months, the Employer shall post a notice relative to the nursing vacancy. Where the employee accepts the offer, there shall be no requirement for displacement notice or vacancy posting of that position. This provision shall not apply if it results in a change of employee status.
- (B) Where a change in scheduled hours results in an on-going change in an employee's FTE status of +/- 0.08 or less, the Employer will not be required to issue displacement notice to the incumbent. Where displacement is triggered, the part time employee may waive displacement and select a line on the rotation. A change under this clause shall be limited to once a year except by mutual agreement.

Each employee who applies for the vacancy or new position shall be given equal opportunity to demonstrate fitness for the position by formal interview and/or assessment. Where an employee within the bargaining unit is not appointed to fill the vacancy or new position, they shall be given, upon request, an explanation as to why their application was not accepted. The request for reasons must be made within fourteen (14) calendar days of becoming aware that the employee is not the successful candidate, pursuant to Article 17.06. The Employer shall provide such reasons within a further fourteen (14) calendar days.

At this stage the parties recognize the potential benefit of expediting the filling of vacancies by agreeing to enable a Nurse to apply on vacancies that are equivalent to their current position without the need for a formal interview process.

### **18.02 Filling Vacancies**

In the filling of vacancies, new positions, transfers or promotions, appointments shall be made to the employee with the required qualifications, and level of competency and efficiency as required by the position specifications, and where such requirements are equal, seniority shall be the determining factor.

The Employer will make all reasonable efforts to place the successful employee in the position within thirty (30) days of the posted start date.

### **18.03 Qualifying Period**

If a regular employee is promoted or transferred to a position, then that employee shall be considered a qualifying employee in their new position for a period of ninety (90) calendar days.

If a regular employee is promoted or transferred to a position either within or outside the certification and is found to be unsatisfactory, they shall be returned to their previously held position.

If a regular employee is promoted to a position, either within or outside the certification, and finds the position to be unsatisfactory, they shall be returned to their previously held position.

### **18.04 Orientation and Training**

The parties to the collective agreement recognize the value of orientation programs for employees and that the responsibility for providing such programs lies with the Employer. (Reference Article 13.04 - Employment in Excluded Positions and Within Other Bargaining Units.)

(B) From Within Bargaining Unit

A regular employee promoted or transferred within the certification and returning to their formerly held position shall do so without loss of seniority or accrued benefits.

(C) Other Employees Affected

Any other employee who was promoted or transferred as a result of the promotions or transfers as stated above, shall be returned to their formerly held position under the same terms and conditions as stated in (B) above.

## **18.06 Salary on Promotion**

A promoted employee shall receive the lowest step in the new increment structure which shall give them a minimum monthly increase of two hundred dollars (\$200.00). The maximum rate of the new increment structure shall not be exceeded because of the application of this provision.

The employee shall receive the new pay rate from the first day worked (including orientation) in the position.

## **18.07 Increment Anniversary Date**

A promotion shall not change an employee's increment anniversary date. (Reference Article 12 – Anniversary Date and Increments.)

## **18.08 Relieving in Higher- or Lower-Rated Position**

(A) A regular or casual employee relieving in a higher-rated job shall receive the rate of pay attracted by the position. The Employer will apply the promotional language (18.06) and the employee will receive the higher rate of pay from the first day worked in the position.

(B) If a regular employee is temporarily assigned to a lower-rated position, the employee shall incur no reduction to wages or benefits.

## **18.09 Voluntary Demotion**

An employee requesting a voluntary demotion from a higher-rated position and who is subsequently demoted to the lower-rated position, shall be paid on the increment step appropriate to the employee's continuous service with the Employer. A voluntary demotion shall not change an employee's anniversary date.

## **ARTICLE 19 – LAY-OFF & RECALL**

These provisions shall be utilized to protect regular employees, wherever possible, from loss of employment, with the exception of employees who are dismissed for cause.

### **19.01 Displaced Employees**

In the event of a reduction in the work force, regular employees shall be laid-off in reverse order of seniority, provided that there are available employees with greater seniority who are qualified and willing to do the work of the employees laid-off.

An employee who is qualified and yet unwilling to do the work shall be laid-off.

(A) **Notice to the Union**

At the time notice of displacement is issued, a copy of the notice shall be sent to the Union steward.

The Employer will make available a list of current union vacancies, a current union seniority list (see Article 13.05 – Seniority Lists), and information regarding any other options that may be available at the time.

Displaced employees will notify the Employer in writing, no later than seven (7) calendar days from the date of the meeting in 19.01(B) above, of the position they have chosen under Article 19.01(B) (a) or Article 19.01(B) (b) or Article 19.01 (B) (c) (iii).

At the end of the seven (7) day period noted above, or earlier if it is agreed that no comparable worksite bump is available per Article 19.01(B) (c) (iii) prior to that time, the displaced employee will have a further seven (7) calendar days to notify the Employer in writing of the position they have chosen under Article 19.01 (B) (c) (iv).

Employees on a leave of absence for any reason may be served displacement notice and can elect to make their choice while on leave, or when they return to work. If they choose to make their choice when they return to work, their choice will be based on the vacancies and seniority lists current at that time.

Regular employees identified by the Employer as displaced due to a reduction in the work force shall have access to the following provisions at their worksite.

i) In anticipation of the utilization of vacancies for displaced staff, the Employer may make temporary assignments to fill regular vacancies for two (2) months prior to the issuance of displacement notices.

The selection of the vacant positions shall be in accordance with seniority, provided the employee has the capabilities and qualifications to perform the duties of the vacant position.

Displaced employees shall have access to unfilled vacancies that have been previously posted and gone unfilled. The selection of the vacant positions shall be in accordance with seniority, provided the employee has the capabilities and qualifications to perform the duties of the vacant position.

A laid-off employee shall be entitled to severance allowance pursuant to Article 54 – Payment of Wages.

- (B) Seniority and Benefits – Seniority accumulation and benefit entitlement for employees on long-term disability shall be consistent with the following provisions (reference 13.02(G)):

Any employee granted unpaid leave of absence totalling up to twenty (20) work days in any year shall continue to accumulate seniority and all benefits and shall return to their former job and increment step.

If an unpaid leave of absence or an accumulation of unpaid leaves of absence exceeds twenty (20) work days in any year, the employee shall not accumulate benefits from the twenty-first (21st) day of the unpaid leave to the last day of the unpaid leave but shall accumulate benefits and receive credit for previously earned benefits upon expiration of the unpaid leave.

Upon return to work following recovery, an employee who was on claim for less than twenty-four (24) months shall continue in their former job; an employee who was on claim for more than twenty-four (24) months shall return to an equivalent position, exercising their seniority rights if necessary, pursuant to Article 13 and Article 19. Employees on long-term disability who have exhausted all sick leave credits and in addition have been granted twenty (20) work days unpaid leave shall be covered by the Medical, Extended Health Care, and Dental Plans provided they pay the total premiums for such coverage in advance on a monthly basis. ## Section 2 – Waiting Period and Benefits

In the event an employee, while enrolled in this Plan, becomes totally disabled prior to ratification, the employee shall continue under the LTD plan in existence before the date of ratification or if mutually agreed, shall be entitled to the provisions of the plan post-ratification upon mutual agreement of the parties.

(B) **“New Claimants”**

- (1) In the event an employee, while enrolled in this Plan, becomes totally disabled on or after November 22, 2022 as a result of an accident or sickness, then, after the employee has been totally disabled for five (5) months the employee shall receive a benefit equal to seventy percent (70%) of the first \$4000 of the pre-disability monthly earnings and fifty percent (50%) on the pre-disability monthly earnings above \$4000 or 66-2/3% of pre-disability monthly earnings, whichever is more. The \$4000 level is to be increased annually by the increase in the weighted average wage rate for employees under the collective agreement for the purpose of determining the benefit amount for eligible employees as at their date of disability.

It is understood that this adjustment will only be applied once for each eligible employee, i.e., at the date of the disability, to determine the benefit amount to be paid prospectively for the duration of entitlement to benefits under the LTD plan.

- (2) In the event that the benefit falls below the amount set out in Section 2(B)(1) above for the job that the claimant was in at the time of commencement of receipt of benefits, LTD benefits to be adjusted prospectively to seventy percent (70%) of the first \$4000 of the current monthly earnings and fifty percent (50%) on the current monthly earnings above \$4000 or 66-2/3% of current monthly earnings, whichever is more based on the wage rate in effect following review by HBT/underwriter every four years. (Note: the \$4000 figure will be adjusted as set out in Section 2(B)(1) above).

(C) **All Claimants**

For the purposes of the above, earnings shall mean basic monthly earnings (including isolation allowances where applicable) as at the date of disability. Basic monthly earnings for regular part-time employees shall be calculated on the basis of the employee’s average monthly hours of work for the twelve-month period or such shorter period

that the employee has been employed, prior to the date of disability, multiplied by their hourly pay rate as at the date of disability.

The long-term disability benefit payment shall be made so long as an employee remains totally disabled and shall cease on the date the employee reaches age sixty-five (65), recovers, dies, or is eligible for early retirement, whichever occurs first.

(D) **Employees who still have unused sick leave credits after the waiting period when the long-term disability benefit becomes payable shall have the option of:**

Thereafter, an employee who is able by reason of education, training, or experience to perform the duties of any gainful occupation for which the rate of pay equals or exceeds seventy percent (70%) of the current rate of pay for their regular occupation at the date of disability shall no longer be considered totally disabled under the Plan. However, the employee may be eligible for a Residual Monthly Disability Benefit.

(1) **Residual Monthly Disability Benefit**

The Residual Monthly Disability Benefit is based on eighty-five percent (85%) of their rate of pay at the date of the disability less the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for their regular occupation) applicable to any gainful occupation that the employee is able to perform. The Residual Monthly Disability Benefit will continue until the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for their regular occupation) applicable to any gainful occupation that the employee is able to perform equals or exceeds eighty-five percent (85%) of the rate of pay for their regular occupation at the date of the disability. The benefit is calculated using the employee's monthly LTD net of offsets benefit and the percentage difference between the eighty-five percent (85%) of the employee's rate of pay at the date of disability and the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for their regular occupation) applicable to any gainful occupation that they are able to perform.

(C) **All Claimants**

(1) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses, except that an employee who is totally disabled as a result of a mental or nervous disorder and who has received twenty-four (24) months of Long-Term Disability Plan benefit payments must be confined to a hospital or mental institution or, where they are at home, under the direct care and supervision of a medical doctor, in order to continue to be eligible for benefit payments.

(2) During a period of total disability an employee must be under the regular and personal care of a legally qualified doctor of medicine.

(3) **Commitment to Rehabilitation**

In the event that an employee is medically able to participate in a rehabilitation activity or program that:

- (a) can be expected to facilitate their return to their own job or other gainful occupation; and

- (b) is recommended by HBT/underwriter and approved as a Rehabilitation Plan, then, the entitlement to benefits under the LTD Plan will continue for the duration of the Approved Rehabilitation Plan as long as they continue to participate and cooperate in the Rehabilitation Plan. If the Plan involves a change in own occupation, the LTD benefit period will continue at least until the end of the first two (2) years of disability. In addition, the employee may be eligible for the Rehabilitation Benefit Incentive Provision.

The Rehabilitation Plan will be jointly determined by the employee (and, if the employee chooses, their Union) and HBT/underwriter. In considering whether or not a rehabilitation plan is appropriate, such factors as the expected duration of disability, and the level of activity required to facilitate the earliest return to a gainful occupation will be considered along with all other relevant criteria. A rehabilitation plan may include training. Once the Rehabilitation Plan has been determined, the employee and the HBT/underwriter will jointly sign the Terms of the Rehabilitation Plan which will, thereby, become the Approved Rehabilitation Plan and the employee's entitlement to benefits under the LTD plan shall continue until the successful completion of the Approved Rehabilitation Plan, provided the eligible employee is willing to participate and cooperate in the Approved Rehabilitation Plan. In addition, the employee may be eligible for any, or all, of the Rehabilitation Benefit Incentive Provisions.

(4) **Rehabilitation Review Committee**

- (a) In the event that the eligible employee does not agree:
- (i) with the recommended rehabilitation plan, or,
  - (ii) that they are medically able to participate and cooperate in the Rehabilitation Plan as defined in the Terms of the Rehabilitation Plan, then, to ensure benefit entitlement under the LTD Plan, the employee must either:
    - (iii) be able to demonstrate reasonable grounds for being unable to participate and cooperate in a rehabilitation plan; or,
    - (iv) appeal the dispute to the Rehabilitation Review Committee for a resolution.

- (b) During the appeal process, the employee's benefit entitlement under the LTD Plan shall not be suspended.

The Rehabilitation Review Committee shall be composed of three qualified individuals who, by education, training, and experience are recognized specialists in the rehabilitation of disabled employees. The Committee shall be composed of three (3) individuals chosen on a rotating basis from a list of rehabilitation specialists mutually acceptable to the parties. The purpose of the Rehabilitation Review Committee shall be to resolve the appeal of an eligible employee who:

- (i) does not agree with the recommended Rehabilitation Plan; or,
- (ii) does not agree that they could medically participate in the Rehabilitation Plan.

During the appeal process, the eligible employee's entitlement to benefits under the LTD Plan shall continue until the Committee has made its decision. The decision of the Committee shall determine whether or not the eligible employee is required to participate and cooperate in the Rehabilitation Plan approved by the Committee. In the event that the eligible employee does not accept the Committee's decision their entitlement to benefits under the LTD Plan shall be suspended until such time as the eligible employee is willing to participate and cooperate in the Approved Rehabilitation Plan.

(5) **Rehabilitation Benefit Incentive Provisions**

- (a) An employee who has been unable to work due to illness or injury and who subsequently is determined to be medically able to:
- (i) return to work on a gradual or part-time basis;
  - (ii) engage in a physical rehabilitation activity; and/or
  - (iii) engage in a vocational retraining program.
- shall be eligible for any, or all, of the Rehabilitation Benefit Incentive Provision.

(b) The intent of the Provision is to assist the employee with a return to a gainful occupation. In many situations, an employee who returns to work by participating and cooperating in an Approved Rehabilitation Plan will be able to increase their monthly earnings above the LTD benefit amount. The objective of the Rehabilitation Benefit Incentive Provision is to promote the successful completion of the Rehabilitation as follows:

- (i) The employee, who upon return to gainful rehabilitative employment under an Approved Rehabilitation Plan, will be entitled to receive all monthly rehabilitation earnings plus a monthly LTD benefit up to the amount set out in Section 2(A) or (B) (as the case may be) of the Addendum, provided that the total of such income does not exceed one hundred percent (100%) of the current rate of pay for their regular occupation at the date of the disability;
- (ii) Upon successful completion of the Approved Rehabilitation Plan, the employee becomes an automatic candidate for all job postings with the Employer, and shall have the ability to bump under the collective agreement for positions that the employee is qualified and physically capable of performing;
- (iii) Upon successful completion of the Approved Rehabilitation Plan, the LTD benefit period may be extended for a maximum of six (6) months for the purpose of job search; and
- (iv) The eligible employee shall be entitled to participate in the Job Exploration and Development program.

“Rehabilitative employment” shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee’s doctor and the underwriter of the Plan.

If earnings are received by an employee during a period of total disability and if such earnings are derived from employment which has not been approved as rehabilitative employment, then the regular monthly benefit from the Plan shall be reduced by one hundred percent (100%) of such earnings.

#### **Section 4 – Exclusions from Coverage**

The Long-Term Disability Plan does not cover total disabilities resulting from:

- (A) war, insurrection, rebellion, or service in the armed forces of any country;
- (B) voluntary participation in a riot or civil commotion, except while an employee is in the course of performing the duties of their regular occupation;
- (C) intentionally self-inflicted injuries or illness.

#### **Section 5 – Integration with other Disability Income**

In the event a totally disabled employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused them to be eligible to receive benefits from this Plan, the benefits from this Plan shall be reduced by one hundred percent (100%) of such other disability income.

If other disability income is available to the employee, they must apply for this income prior to receiving LTD.

Other disability income shall include but is not limited to:

- (A) any amount payable under any Workers’ Compensation Act or law or any other legislation of similar purpose; and
- (B) any amount the disabled employee receives from any group insurance, wage continuation, or pension plan of the Employer that provides disability income; and
- (C) any amount of disability income provided by an compulsory act or law; and
- (D) any periodic primary benefit payment from the Canada or Quebec Pension Plans or other similar social security plan of any country to which the disabled employee is entitled or to which they would be entitled had they applied for such a benefit; and

- (E) any amount of disability income provided by any group or association disability plan to which the disabled employee might belong to or subscribe.

Private or individual disability plan benefits of the disabled employee shall not reduce the benefit from this Plan.

The amount by which the disability benefit from this Plan is reduced by other disability income shall be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements shall not further reduce the benefit from this Plan until the LTD benefit payable is recalculated to reflect current wage rates [Reference 2(B)(2)].

## **Section 6 – Successive Disabilities**

If, following a period of total disability with respect to which benefits are paid from this Plan, an employee returns to work for a continuous period of six (6) months or more, any subsequent total disability suffered by that employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled employee shall be entitled to benefit payments after the completion of another waiting period.

In the event the period during which such an employee has returned to work is less than six (6) months and the employee again suffers a total disability that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.

Should such an employee suffer a subsequent disability that is unrelated to the previous disability and provided the period during which the employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the employee shall be entitled to benefit payments after the completion of another waiting period. If the period during which the employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.

## **Section 7 – Leave of Absence**

Employees on leave of absence without pay may opt to retain coverage under the Plan and shall pay the full premium. Coverage shall be permitted for a period of twelve (12) months of absence without pay, except if such leave is for educational purposes, when the maximum period shall be extended to two (2) years. If an employee on leave of absence without pay becomes disabled, their allowance under this Plan shall be based upon monthly earnings immediately prior to the leave of absence.

## **Section 8 – Benefits Upon Plan Termination**

In the event this Long-Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of this Plan to disabled employees who became disabled while covered by this Plan prior to its termination.

## **Section 9 – Premiums**

The cost of this Plan shall be borne by the Employer. Payment of premiums shall cease on termination of employment or five (5) months prior to an employee's sixty-fifth (65th) birthday, whichever occurs first.

## **Section 10 – Waiver of Premiums**

The premiums of this Plan shall be waived with respect to disabled employees during the time such an employee is in receipt of disability benefit payments from this Plan.

## **Section 11 – Claims**

Long-term disability claims shall be adjudicated and paid by a claims-paying agent to be appointed by the Trustee. The claims-paying agent shall provide toll free telephone access to claimants. In the event a covered employee or the underwriter disputes the decision of the claims-paying agent regarding a claim for benefits under this Plan, the employee or the underwriter may request that the claim be re-examined by the claims-paying agent. If the employee

disputes the decision, the employee may request to have the claim reviewed by a claims review committee comprised of three independent and qualified medical doctors agreed to by the Union and Employer.

Written notice of a claim under this Plan shall be sent to the claims-paying agent no longer than forty-five (45) days after the earliest foreseeable commencement date of benefit payments from this Plan or as soon thereafter as is reasonably possible. Failure to furnish the required notice of claim within the time stated shall not invalidate nor reduce the claim if it was not reasonably possible to file the required notice within such time, provided the notice is furnished no later than six (6) months from the time notice of claim is otherwise required.

## **Section 12 – Administration**

The Employer shall administer and be the sole trustee of the Plan. The Union shall have access to any reports provided by the claims-paying agent regarding experience information.

All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Articles 9 and 10 of the Collective Agreement.

## **Section 13 – Collective Agreement Unprejudiced**

The terms of the Plan set out above shall not prejudice the application or interpretation of the Collective Agreement.

# **APPENDIX G**

## **MEMORANDUM OF UNDERSTANDING**

### **ADDRESSING WORKPLACE VIOLENCE AND RESPECT IN THE HEALTH WORKPLACE**

The parties recognize that it is important to provide an environment that is properly secure for all those who receive health services or who work in health care. A safe environment is important for staff and contributes to providing the highest possible standard of care. Staff should expect to work in, and patients should expect to be treated in, an environment where the risk of violence is minimized.

#### **Violence Prevention Program**

The Employer will establish a joint violence prevention program or review their existing program where one is in place that will include:

- (i) Creation of a violence prevention sub-committee to develop control measures and provide guidelines to local Joint Health and Safety Committees and to compile an annual report of violence prevention activities to the local OH&S Committee;
- (ii) Risk assessments coordinated by the local OH&S Committees and reported to the Union and Employer.
- (iii) Ongoing employee education and training.

#### **Towards a Respectful Workplace**

The Employer is committed to promoting a work environment in which employees, students, medical staff, physicians, residents, fellows, volunteers, contractors, visitors, patients and clients conduct themselves in a civil, respectful and cooperative manner.

The Employer will publish a clear policy for promoting and maintaining a working environment in which all persons are treated with respect and dignity. These policies will be accessible to staff and users of the health care system regarding expectations and consequences of inappropriate behaviour and violence.

1. The Employer will provide an annual incentive payment (the “Incentive Payment”) to:
  - (i) Employees who are eligible to retire, have maximized their pensionable service and are not eligible or elect not to contribute to the Municipal Pension Plan (MPP) or the Public Service Pension Plan (PSPP) and who continue to work in a regular full-time or a regular part-time position; and

(collectively the “Eligible Employees”)
2. The Incentive Payment will be:

Any earnings counted toward pensionable service will be excluded from the calculation of the Incentive Payment.
  - (ii) Payable following December 31st in each year that the Eligible Employee is employed in a regular full-time or regular part-time position as described in 1(i) or 1(ii) above.

## APPENDIX AA

### MEMORANDUM OF UNDERSTANDING

#### JOB SHARING

##### Article 1 - Preamble

- 1.1 This Memorandum of Understanding establishes provision for two (2) regular employees to voluntarily “job share” a single full-time position. Part-time positions may be shared where the Employer and Union agree in good faith.

- 1.2 A "Job Sharing Arrangement" refers to a specific written agreement between the Union and the Employer. This agreement must be signed before a job sharing arrangement can be implemented.

#### Article 2 - Participation

- 2.1 The parties recognize that involvement in job sharing is voluntary for all parties. It is further agreed that there will be no pressure brought to bear on Employers or employees to participate in job sharing, nor will there be access to the grievance procedure should such job sharing not be established at the facility level.
- 2.2 Employees may initiate a request for job sharing in writing (subject to Article 2.3 and 2.4).
- 2.3 Upon approval of a request to job share a notice will be posted within the department to determine interest in job sharing a specific position. Those interested in job sharing will respond to the Employer in writing. Should the number of qualified employees responding exceed the number of positions available, then selection shall be on the basis of seniority.  
  
Job shares will be within the same department and classification except where the Employer and Union agree in good faith.
- 2.4 A notice will also be posted to elicit interest in job sharing arrangements to accommodate employees facing displacement. Approval and selection are subject to 2.1, 2.2 and 2.3 above.
- 2.5 For the first three (3) months of a job sharing arrangement, an employee will be deemed to be on a qualifying period pursuant to Article 18.03 of the Collective Agreement, except for employees who are participating in a Job Share on their home ward, unit, or program and have already completed their qualifying period.

#### Article 3 - Maintenance of Full-Time Positions

- 3.1 Shared positions shall, in all respects with the exception that they are held by two individuals, be treated as though they were single positions with regard to scheduling and job descriptions.
- 3.2 Where a vacancy becomes available as a result of an employee participating in a job sharing arrangement, the vacated position shall be treated in accordance with the provisions of the Collective Agreement.
- 3.3 If one job sharing partner decides to discontinue participation in a job share, they must give thirty (30) days' notice and they will then post into another regular position, revert to casual, or resign. The remaining employee shall be given first opportunity to assume the position on a full-time basis. Should that employee decline the position on a full-time basis and wish to continue to job share the position, then every effort will be made. The period of thirty (30) days, to find a job sharing partner satisfactory to all parties. The period of time to find a replacement will result in the remaining job sharing partner assuming the position full-time. If they do not wish a full-time position and no job sharing partner is found, then they would post into another regular position, revert to casual status, or resign. The former job sharing position would then be treated in accordance with the Collective Agreement.
- 3.4 If the job sharing arrangement is discontinued by the Employer, the most senior employee will be given first option to assume the full-time position. The other (least senior) partner will be displaced pursuant to the provisions of the Collective Agreement.
- 3.5 The Employer must give sixty (60) days' notice if they wish to end a job sharing arrangement.
- 3.6 Either party may cancel this Memorandum on sixty (60) days' notice.

#### Article 4 - Schedules and Job Descriptions

- 4.1 A work schedule will be set out in advance showing the days and hours or shifts to be worked for each job sharing partner.
- 4.2 Job descriptions for the job sharing partners will be identical.
- 4.3 The Employer agrees not to increase workload levels expected of job sharers for the sole reason the position is shared.
- 4.4 Once established, the position of hours shared may be altered by mutual agreement of the parties.

#### Article 5 - Benefits

- 5.1 As a general principle and unless otherwise revised in this Memorandum, the employees will neither gain nor lose any benefits presently contained in the Collective Agreement.

- 5.2 Each employee in a job sharing arrangement will be treated as a part-time employee for all benefit and pension purposes.
- 5.3 Each employee in a job sharing arrangement must maintain unbroken eligibility for Employment Insurance and Canada Pension coverage.

Article 6 - Relief

- 6.1 Temporary relief for a job shared position will be determined pursuant to the Collective Agreement. However, job sharers will relieve for each other where there is no other source of relief available.

**RE: JOB SECURITY – NO CONTRACTING OUT**

During the term of the Collective Agreement, the Employer shall not contract out any bargaining unit work that results in the lay-off of regular employees within the bargaining unit.

Not later than ninety (90) days prior to the expiry of the Collective Agreement, the Employer shall notify the Union if it intends to contract out any bargaining unit work following the expiry of the Collective Agreement.

When the Employer so intends, it shall provide the Union with information on the intended contracting out prior to the aforementioned ninety (90) days and will discuss in good faith any suggestions raised by the Union.
